Mr. Thornburg and Mr Scott Vinson,

At the request of the Briar Chapel Community Association (BCCA), Tetra Tech reviewed the "Request for Permit Minor Modification, Briar Chapel Wastewater Treatment Plant, Chatham County, WQ0028552", dated March 31, 2021, and prepared and submitted by John Phillips, PE, Diehl and Phillips, P.A., on behalf of Old North State Water Co., LLC.

The Briar Chapel Infrastructure Engineer (Victor D'Amato, PE) has completed our independent review and has submitted his finding report and I have attached for your information.

On behalf of the Briar Chapel Community Associations Board of Directors I wish to request an expedited approval for permit WQ0028552.
