Name: _____ Age: _____

Name: _____ Age: _____

Name: _____ Age: _____

Name: _____ Age: _____

Nannies, babysitters or caregivers ("N/B/C") are not charged guest fees while accompanying the children they are attending in lieu of the parents. If a parent arrives at the facility, then the N/B/C must pay the applicable guest fee and abide by the Club's maximum guest limit on visits. Members must register any N/B/C's in advance with Club Management for them to be added to your account. N/B/Cs are not allowed to supervise children other than the ones they are registered under. N/B/Cs must understand and follow all guest rules. N/B/Cs must present the residents access card along with their drivers license or a photo id to the check in desk to acquire access. N/B/Cs may not use the pool facilities unless they are taking care of a child of a resident in lieu of the parent or guardian or they are a guest at the pool. At no time should a N/B/C be at the pool by themselves. If any rules or regulations are broken by the N/B/C the Home Owner must take full responsibility for all consequences and damages. By signing below both parties understand and agree to the above as well as the current Pool Rules and Regulations.

Please note the first N/B/C pass is free. Any additional ones needed throughout the season will be a \$30 charge. You must allow up to 48 business hours for a N/B/C pass to be added to your account.
