

NEWLAND®

June 1, 2021

Dear Valued Homeowner,

We are excited to announce that Newland, the developer of Briar Chapel has been acquired by Brookfield Properties. On Tuesday, June 1, Newland will now operate as a Brookfield Properties company with active master-planned community developments such as Briar Chapel continuing to carry the Newland brand name.

Rest assured, the transition will have no operational impact on your community or its residents as the business will operate as usual for Newland. All Newland team members will remain in place at both the Corporate and community levels.

Brookfield Properties is a leading global developer who, like Newland, is deeply experienced in developing innovative master-planned communities across the U.S. They also share our values and passion for building sustainable master-planned communities where residents care as much as we do about the connection of home, work, shop and play.

On behalf of Newland, we want to thank you for your time, and we look forward to completing the development of Briar Chapel.

Sincerely,

Tanya Matzen
VP, Operations
